

Early Years Learning Programme

We aim to provide a warm, loving and stimulating environment in which children aged 24-36 months can feel a sense of belonging and thrive.

LA CÔTE INTERNATIONAL SCHOOL
AUBONNE

A NORD ANGLIA EDUCATION SCHOOL

Early Years Learning Programme

7 areas of Learning

Areas of learning are based on the Early Years Foundation Stage from the English National Curriculum. By observing and recording each stage of their development, practitioners guide the children through play and planned activities, to ensure that they gain experiences that will encourage:

- Personal, Social and Emotional Development
- Communication and Language skills
- Physical development
- Mathematical Learning
- An understanding of the World
- Creative Development
- A love of Literacy

A bilingual start in life

Children are exposed to both English and French both of which are spoken in class, and through dedicated language sessions.

During the day children are given time for learning through play, as well as more structured activities such as singing, music, rhyming, physical movement, games, arts and crafts, construction, and by exploring with colour, texture and different materials. Activities encourage independence, and social skills. The EYFS has its own dedicated outside play area and a large hall for movement activities.

A typical day at La Côte International School

8h15 - 8h40: Parent Drop off

8h15 - 12h00: Planned activities including outdoor play

12h00: Lunch in our dedicated dining room

12h30 - 15h15: Nap times and planned activities

Pick up times: 12h00 before lunch or 15h15 at the end of the day.

Feedback to parents

In addition to daily conversations with staff, parents receive regular electronic feed-back through weekly communication letters and by receiving regular copies of observation notes and photographs of their child's individual learning journey, that have been taken throughout the week.
