## LOOT by Joe Orton

Tuesday-Friday 24-27 September performances at 20:00. Saturday 28th at 19:00.

*Loot* is a black comedy – a farce that satirizes the church, attitudes to death, the integrity of the police force and other social norms.

The *Sunday Telegraph* called it “the most genuinely quick-witted, pungent and sprightly entertainment by a new young British playwright for a decade”.

The play won several awards in its original London run, and has been revived in many professional productions. It has gained a reputation as a comic masterpiece.

The cast includes Cathy Boyle, James Bradley, Pablo González Silva, Ludovic Lafont, Dan Day-Robinson, and Nic Sommer.

First night patrons are invited to enjoy a complimentary glass of bubbles in the company of the cast and crew.
