Sunday, October 2, 2011 at the Vernets Ice Rink: “JUST FOR GIRLS”

In collaboration with the International Ice Hockey Federation's (IIHF) *World Girl's Hockey Day*, and as part of its ongoing mission to provide hockey programs for girls and women, Genève Futur Hockey is pleased to host a day of hockey created “Just for Girls”, on Sunday, October 2, 2011.

All women and girls aged 5 and up are invited to Les Vernets Ice Rink for a great day of hockey. Whether you're an experienced player, or have never held a hockey stick, this is an opportunity to have a lot of fun with other girls, while either trying hockey for the first time, or perfecting your skills.

Genève Futur Hockey will provide professional coaching both on and off

the ice with experienced hockey trainers. Participants will also get to meet Genève-Servette HC hockey players, have a chance to play on the ice where the pros play, and make friends with other hockey-loving girls from all over Geneva!

There will be lots of other activities, and surprises, so girls, don't miss this opportunity to give hockey a try or share your love of the sport in a fun and safe environment!

One more point: there is no fee, “Just for Girls” Ice Hockey Day is offered by Genève Futur Hockey.

Equipment

- If you are a first time player, basic equipment is required. Skates, a helmet (even a bicycle helmet is fine), elbow and knee pads (roller blade style) a pair of ski gloves and you are all set.
- Don't have skates? For a minimal fee you can also rent skates at Les Vernets.
- If you've been playing already – by all means come fully equipped with your own equipment.
